## **Parikshit Khanna (IN)**

Always up for learning about different languages and cultures, Parikshit's profession as a management consultant enables him to travel to new places and meet diverse people. He is aware that his career path may take meandering turns as he enters his 30s, touching upon arts, social justice, and humane design of systems. He wishes to utilize his experience of problem-solving and develop an empathetic awareness to work towards helping people to the best of his ability. He also realizes that community-based action is the best bet moving forward to resolve various small- and large-scale issues and is thus always open to collaborate with people pursuing similar objectives.
